### APPLICATION AND PRODUCT DESCRIPTION

**The Degreaser** is a specific product for removing grease and oli stains.  
**The Degreaser**, provided in 50g single dose bags, must be used with the detergent.

### ADVICES FOR THE PROPER USE

**The Degreaser** has been thought to be used in a Laundromat.  
During the washing cycle, with the detergent, add the content in the wash basket before introducing the laundry.  
This will enable to easily remove grease and oli stains (e.g. coveralls, table cloths, etc).  
To recover articles with persistent marks is possible to use two bags.
